OFFICE OF INTELLIGENCE COORDINATION

27 January 1951

On 2 January 1951 the Deputy Director assigned to the Office of Intelligence Coordination the task of conducting a survey of the Agency's coordination arrangements. This survey is being undertaken by exploring with each office its existing interagency arrangements. O/IC is also assisting with current problems demanding solution.

Problems in which the Office of Intelligence Coordination is involved are listed on the attached pages with brief comment. In each case O/IC is either providing assistance to the Assistant Director(s) concerned or is carrying the main responsibility by agreement or assignment.

By making such a list available from time to time O/IC seeks to acquaint the Director, the Deputy Directors, and the Assistant Directors with the current business of O/IC and to provide them the opportunity to make suggestions with respect to these problems and their solution or to suggest other problems of which this office should be aware.

JAMES Q. REBER
